

Holistic Health Guidance & Integration

HHGI

www.holistichealthintegration.com

Holistic Health Guidance & Integration brings a unique, science-informed approach to root-cause wellness for individuals and the companies that employ them.

Through a triangulated, multi-modal approach, we work to identify the underlying source of health imbalances rather than simply address symptoms.

Explore holistic health. Integrate new practices. Transform yourself.

WHAT WE DO

- Biomarker Scanning
- Personalized Wellness Protocols
- Nutrition Coaching & Movement Integration
- Traditional Principles
- Muscle Response Testing

WHO WE SERVE

Corporate Employers

Forward-thinking companies who invest in employee health, retention, and productivity.

Retreat & Event Organizers

Companies, Wellness Retreats, and HR teams seeking on-site biocommunication health experiences.

Individuals

Health-conscious clients — in-person or remote — seeking root-cause clarity.

HOW IT WORKS

1. Discovery Call

Free 20-min call to align goals and recommend the right package.

2. On-Site or Remote

At your location, in office, or virtually.

3. Personalized Reports

Each participant receives a detailed scan report and next-step guidance.

4. Ongoing Partnership

Quarterly check-ins build a measurable health baseline over time.
